Essay

Please write a short essay (of about 300 words) in response to the following prompt:

A liberal arts education should be truly liberating in that it removes from the individual the blinders that just about every person acquires while growing up in a particular time and place. It does so in part by providing a broader perspective on the world we live in. Giving specific examples from at least two courses in the College of Arts and Sciences, discuss the ways in which your liberal arts education has contributed to a significant alteration of your world view.
