About Northern State organizational plates

1. Organizational plates are available at your county treasurer’s office.

2. No additional fees are charged if the organizational plates are requested:
   - at the time of the initial application for title and registration of the vehicle or
   - during a year – like 2006 – when the state is issuing newly designed metal plates.

3. If organizational plates are requested at another time, the owner shall surrender the current plates and pay a $10 fee to their county treasurer for the organizational plates.

4. The county treasurer’s office will issue you blank organizational plates. Fill out the enclosed form to get your decals to put on your plates.

5. Your plates function like other non-commercial plates and are renewable each year.

6. Upon the sale or transfer of a vehicle, the organizational plates with the wolf decals remain with the owner and may be transferred to another vehicle.

More information about organizational plates is available on The State of South Dakota Department of Motor Vehicles website at: www.state.sd.us/dmr2/motorvehicle/plates.htm or by contacting your county treasurer's office.
