7. Once your data has been retrieved and your password reset, click the **"Login to Gmail link"**. The link will automatically log you into your email account. **Be sure to remember your Student ID and myNSU Portal (BORIS) username for the next steps below!**

myNSU ACCOUNT RETRIEVAL (myNSU, WebAdvisor, D2L, Starfish)

The myNSU Portal is your one-stop access for most online resources provided by NSU. From the portal, you can gain access to WebAdvisor (WA), Desire2Learn (D2L) and Starfish Early Alert, Gmail (separate logon required), and many forms, documents, and electronic resources needed during your academic career at NSU. Your myNSU account is referred to as your **BORIS** account.

1. From the **Voy** = select the **Voy** link, located near the top right hand corner;
2. Scroll down and Select **7 k " h**, click the **link**
3. Enter Last Name and Student/Colleague ID number (7-digit number found on your Student ID card) or BORIS username obtained from the previous section and click **Retrieve my information;**
4. From the dropdown, select either your primary (NSU) or a secondary email address. The BORIS system will send a password reset link to the email address that you specify.
5. Access the email account in which you requested a password reset (Step 4) and click on the link provided.
6. Enter your BORIS username and create/confirm a unique password;
7. Complete the Password confirmation, close out of the web browser, and then re-open and log into the myNSU Portal;

You can now access the myNSU Portal which provides single-sign on access to WebAdvisor and Desire2Learn. You will also access your NSU Gmail account through myNSU but will be prompted to log on using your NSU network/Gmail account.
