REPRESENTATIVE COURSES TAUGHT

Northern State University, 2009-present

- **ENGL 490: Senior Seminar: Victorian Fiction**
Critical analysis of several major novels of the Victorian period and the way Victorian authors addressed the profound changes transforming the world around them.
- **ENGL 222: British Literature II (1800-1950)** (online and face-to-face)
Representative British authors and works from the Romantic period, the Victorian period, and the British Modernist period are studied in their social and cultural contexts.
- **ENGL 221: British Literature I (450BC-1799)**
Representative authors and works from the Anglo-Saxon period, the Medieval period, the Renaissance, and the Restoration are studied in their social and cultural contexts.
- **ENGL 284: Introduction to Literary Criticism**
Critical interpretation of 19th- and 20th-century British poetry, fiction, and drama.
- **ENGL 192/492: Literary Tour of Europe** (online and face-to-face)
Major 19th- and 20th-century Irish, Scottish, and British literary figures are considered in their critical, historical, and cultural contexts. Class culminates in a two-week "Literary Tour of Europe".

REPRESENTATIVE COURSES TAUGHT (cont'd)

▪ **ENGL 201: Composition II – Film Studies**

Theme-based course centered on film studies. Text and multimodal based writing and research developed through analysis of film and other media. Courses include:

- Trauma in Film – Explores theories of trauma and memory, focusing on modern cinematic representations of psychological trauma; cinematic representation of traumatic pasts and to what degree these “pasts” become mediated memories.
- American Counterculture - Focus on the American counterculture of the 1950's and 1960s and its legacy in contemporary society; analysis of the historical, philosophical, and sociological foundations of the American counterculture in music, literature, and film.
- Psychological Thrillers – Explores the attraction of the psychological thriller and its cultural aspects as represented in film.
- The Road – Explores the lure of the road as portrayed in novels, films, and music; addresses the vagabond ethos, the myths and realities of life on the road, how travelers’ tales have shaped popular imagination, and how social and economic factors affect the journey and the traveler.

▪ **ENGL 213: Backgrounds to Literature**

Theme-based course centered on influences of literary tradition. Courses include:

- The Beat Generation – Study of the literature of the Beat writers who challenged the status quo and brought attention to issues of sexuality, class, race, and gender.
- Sherlock Holmes – Study of the enduring and universal appeal of the Holmesian mystery, considering contexts of gender, social class, ethics, and morality.

▪ **ENGL 484: Literary Criticism**

A survey of major literary critical theories, the methods of each theory, and how to apply those methods to works of fiction, drama, and poetry.

▪ **ENGL 230: Young Adult Literature**

- Dystopian Literature – Analysis of critical issues pertaining to war, violence, poverty, social justice, culture, technology, propaganda, and historical consciousness in dystopian literature.
- Trauma in Harry Potter – Analysis of psychological trauma in the *Harry Potter* series and the role of trauma in the field of young adult literature.
- Fairy Tales – Analysis of classic and modern fairy tales and the evolution of folk and fairy tales, their incorporation into mass culture, and the social and political issues they address.
- Lord of the Rings – Analysis of hero archetypes, themes, races, and cultures within J.R.R. Tolkien’s *The Hobbit* and *The Lord of the Rings*.

▪ **ENGL 101: Composition I**

Developing clear writing and logical thinking; how to effectively locate, analyze, and cite sources.

▪ **MCOM 210: Basic Newswriting** (online and face-to-face)

Journalism law and ethics; techniques for gathering, organizing, and writing news stories for print, broadcast and digital media.

▪ **MCOM 311: Basic News Editing** (online and face-to-face)

Foundations of news editing for print, broadcast and digital media.

Kent State University, 2004-2009

▪ **ENG 34021: Women’s Literature (1830-1950)**

Critical interpretation of gender issues, the formation of identity, and the structure of conversion as represented by British women novelists and poets of the 19th to 20th centuries.

REPRESENTATIVE COURSES TAUGHT (cont'd)

- **ENG 25001: Literature in English I (450-1800)**
Analysis of the relationship between self and society as represented in English literature prior to 1800, studying a broad spectrum of English novelists, dramatists, and poets.
- **ENG 22073: Major Modern Writers (1880-1950)**
Contextual and cultural analyses of labor and social reform as represented by British and American novelists, dramatists, and poets of the late 19th and early 20th centuries.

Central Michigan University, 2001-2004

- **ENG 101: Freshman Composition** and **ENG 201: Advanced Composition**
Writing and research skills developed through multimodal activities and textual interpretation of various literary genres.
