

The Basics of Military Federal Tuition Assistance (FTA)

- 
- FTA is limited to currently serving members of the Armed Forces. If your ETS date is during semester you will not get FTA for that semester
 - Maximum of \$250 per credit hour; up to \$4500 per year (fiscal year resets on October 1)
 - FTA is not a guaranteed benefit, and funding is limited. FTA is paid on a first come first serve basis. Please apply early.
 - TA requests should be completed prior to the start of the semester. Each service has its own deadline.
 - FTA is a tuition reimbursement program; you will not receive an up-front payment. Payments may come late in the semester
 - FTA can be used in conjunction with the GI Bill in some cases, but with restrictions; contact your military education office
 - FTA cannot be used for a lateral degree (You cannot use FTA to earn a 2nd bachelor's degree)
